MEMORANDUM FOR: Assistant Director for Communications

SUBJECT : Establishment of SHERWOOD on Santa Fe.

1. The DCI has approved the Sherwood program and has directed that an installation of equipment be made on Santa Fe.

2. Necessary assistance that may be required of the Office of Logistics and the Office of Security for the establishment of SHERWOOD on Santa Fe will be requested.

3. Liaison with the Weather Bureau and CAA has been approved and will be arranged as required.

4. Although the DCI has approved the installation of SHERWOOD on Santa Fe, the installation will be used only as a backup for a proposed broadcast based in [] If it is impossible to base a broadcast in [] then there is a possibility that the Santa Fe installation may be used for the full SHERWOOD program.

5. It is realized that your office cannot make simultaneous installations in [] and on Santa Fe. Should approval be obtained to base the SHERWOOD program in [] priority will be given the [] installation.
